PIANO.

Now I'm going to tell you all a-bout what  
You can have most an-y col-or, and I'll

hap-pened at our house, I think it's just a week a-go to-  
give to you first pick, But cats, you know, like us have got to

day, \_\_\_\_\_ Now you see we have a nice big cat, yes  
eat; \_\_\_\_\_ How'd you like to be real hun - gry, yes, or

one that's aw - ful black, But now she's got ten lit - tle ones, they  
have no place to sleep, Like some poor cats, I've seen out on the

say. \_\_\_\_\_ Well my Ma, she said: "We can't af - ford to  
street? \_\_\_\_\_ I've got one that's white, and two that's brown, and

feed so man - y cats," And Pa, he said: "The bunch will have to go." \_\_\_\_\_ So  
three as black as night, And one with yel - low spots, and one all gray. \_\_\_\_\_ Oh

I've been 'round a - bout the town to find them all a home, Now  
won't you take one, help me out? Now I don't like to tease, But

you'll take one of them from me I know.  
I must get them all a home to - - day.

## CHORUS.

Say don't you want a lit - tle pus - sy wus - sy cat, Oh don't you

*mp* - *f*

want a kit - ty dear? It's dad - dy's gone, they say, And he

nev - er will come back, Now don't you think that is aw - ful - ly queer? — My Pa, he

said to me, they've got a ped - i - gree, but gee! they eat all right for

that. — Now I don't like to tease, so will you take one please? Oh,

don't you want a pus - sy wus - sy cat? Say don't you cat? —
