I'm happy, I'm happy, as I can be — I just received a a loving letter,

She's coming back to me — I don't know what I would do, Without you my baby Lue,

I'll nev-er let you leave my side — For you're my baby, My loving lady,

You're coming back to stay — Oh I've been dreaming, And al so screaming, Since you went a-

way — Now that you're coming back home, And promise no more to roam,

I'm happy cause my loving mama's coming home — home —
