(Ukulele arr.- see note below*)

Music by
MABEL WAYNE

Allegro moderato

For years and years in lone-some-ness
I've had a lot of wor-ri-ment

By my ownsomeness, I've been searching for you Believe me,
And en-couragement From the sweetsies I know And just be-

what I'm tell-ing is true Some-how I've longed for no-one but you,
-cause I always said "No" They thought that I was bash-ful and slow,

Made up my mind I'd wait for love And be worthy of
 But on-ly you can un-der-stand How I've dreamed and planned

you when you came a-long And now my heart is sing-ing this song-
 and what lifemeant to me Now I'm as hap-py as I can be

You're in my arms — where you be-long.
 My dreams are true — 'cause you're with me.

CHORUS

I al - ways knew I'd find you, That's why I've wait ed,

dear, I knew love would be kind too And let me find

you here. Ev - 'ry day and night I would pray,

Oh, how I'd pray that you'd come my way I al - ways knew I'd find you

And you would be find - ing me too. I too.
