I feel so sad and blue to-day, I real-ly don't know what to—
 When we first met you made me glad, You haunt-ed me right from the—
 do; With-out a cause you went a - way, That's why I feel so
 start But now you change and I feel sad You left and stole my
 heart
 blue, You knew you had my heart that's why, You treat-ed me un-
 kind, And all day long, I moan and sigh, Be-cause you're on my mind.
 me, You'll want my love to dry your tears In place of sym-pa - thy.

- and all for you, I want you near me, come back and cheer me,

You of-ten told me, your heart was true, The time will come,

-when you'll get lone - ly, And then you'll know, that you were

wrong, When you get lone-some just for some-one's love, That some-one will be me as sure as

stars a - bove, Some day you'll say, I've got the blues. I've got the
