My ^(Gal has) Dad-dy's left me all a-lone_ That's why I'm feeling blue_
She had the sweet-est lit-tle ways_ I loved my ba-by so_

If ^(she) he don't come back might-y soon_ I don't know what I'll do_
And when it came to mak-ing love_ She taught me all I know_

I get a let-ter ev-'ry day_ ^(She) He tells me not to fret, _____
Now I just sit all night and dream_ Of days that used to be, _____

But I'm un-hap-py I'm so un-hap-py seems I nev-er can for-get._
But I'm so lone-ly When she gets lone-ly may-be she'll come back to me._

Chorus

Since my {Gal is} {Dad-dys} gone I've got the blues, Ev - ery day I'm

wait-ing for some news; I'm wor-ried all day long, I sing a

cry-ing song, - Lord-y how I miss {her} {him} how I long to kiss {her} {him} Gee! my love is strong!

Since my dear, sweet {Ma ma's} {Pa pa's} gone a - way I can't eat my threesquaremeals a -

Since my {Gal is} {Dad-dys} gone I've got the Blues. Blues.
