He stands there with his girl-ie Till her moth-er comes down aft-er her.

CHORUS

He whis-pers I love, lu-lu-lu-lu - lu-love you dear in-deed I do

I hope that you love, lu-lu-lu-lu - lu-love me dear, like I love you

I wish that I could stop my heart from flut-ter-ing - That's the reas-on I am

stut-ter-ing Just the same what I claim is true I think that

your kiss, ki - kiss, ki - kiss, — your kiss is simp - ly just di - vine

It brings me such bliss, bl - bliss, bl - bliss, — such bliss to press your

lips to mine — It's al - ways like this, like this, th - this, — like this each word I'm

ut - ter - ing — I'm al - ways stut - ter - ing — when I'm with

you. He whis - pers you.
